Eligibility

- Native American Tribal organizations (other than federally recognized Tribal governments)

- Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education
- For-profit organizations other than small businesses

An applicant may submit more than one application, if each application proposes a different project in response to the solicitation. Also, an entity may be proposed as a subrecipient (subgrantee) in more than one application.

See also Eligibility Information section for additional criteria.

OJJDP will consider applications under which two or more entities (project partners) would carry out the federal award; however, only one entity may be the applicant for the solicitation. Any others must be proposed as subrecipients (subgrantees). See the [Application Resource Guide](#) for additional information on subawards.

Program Description

Program Description Overview

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [Office of Juvenile Justice and Delinquency Prevention](#) (OJJDP) is seeking applications for funding.

OJP is committed to advancing work that promotes civil rights and equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety, protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

With this solicitation, OJJDP seeks to implement and deliver mentoring services to youth populations that are involved in the juvenile justice system. This program supports mentoring programs to reduce juvenile delinquency, truancy, drug abuse, victimization, and other problem and high-risk behaviors.

This program furthers DOJ's mission to uphold the rule of law, keep our country safe, and protect civil rights.

[OJJDP's](#) guiding philosophy is to enhance the welfare of America's youth and broaden their opportunities for a better future. To bring these goals to fruition, OJJDP is leading efforts to transform the juvenile justice system into one that will [Treat Children as Children](#); [Serve Children at Home, With Their Families, in their Communities](#); and [Open Up Opportunities for System-Involved Youth](#). OJJDP encourages all proposed applications that work with youth to highlight how the proposed program aligns with these priorities.

OJJDP envisions a juvenile justice system centered on the strengths, needs, and voices of youth and families. Young people and family members with lived experience are vital resources for understanding and reaching persons involved or at risk of involvement with youth-serving systems. OJJDP asks stakeholders to join us in sustainably integrating bold, transformative youth and family partnership strategies into our daily work. OJJDP believes in achieving positive outcomes for youth, families, and communities through meaningful engagement and active partnerships, ensuring they play a central role in collaboratively developing solutions.

Applicants must describe how their proposed project/program will integrate and sustain meaningful youth and family partnerships into all sections of the proposal narrative — including the description of the issue project design and implementation, capabilities and competencies, plan for collecting data — and the budget. Depending on the nature of an applicant's proposed project, youth and family partnership could consist of one or more of the following:

- Individual-level partnership in case planning and direct service delivery (before, during, and after contact with youth-serving systems).
- Agency-level partnership (e.g., in policy, practice, and program development, implementation, and evaluation; staffing; advisory bodies; budget development).
- System-level partnership (e.g., in strategic planning activities, system improvement initiatives, advocacy strategies, reform efforts).

Specific Information

Mentoring promotes positive behaviors, attitudes, and outcomes for youth and reduces risk factors associated with delinquency and juvenile justice system involvement, such as poor school attendance, school failure, and alcohol and drug abuse. It has been shown to improve academic performance and/or social or job skills, support behavioral or other personal development, and reduce consumption of alcohol and other drugs.¹ However, one survey estimates that more than one in three young people never had an adult mentor of any kind while they were growing up.² OJJDP supports the expansion of high-quality mentoring services for targeted youth across the country to help close this gap.

Youth involvement in the justice system might include a range of experiences, such as arrest, diversion, detention, adjudication, probation, incarceration, and reentry. However, for the purposes of this solicitation, mentoring services must be targeted to those youth as a matter of diversion from an out-of-home placement in a juvenile detention or correctional facility. OJJDP has previously supported an examination of the mentoring referral process for youth involved in various juvenile justice settings.³ More recently, the OJJDP National Mentoring Resource Center examined the broader scope of mentoring initiatives across primary, secondary, and tertiary prevention of delinquent behavior among youth, including those involved in the juvenile justice system.⁴ This solicitation is focused on diverting youth from further penetration into the juvenile justice system through diversion or as a complement to community-based probation services with the goal of expediting a youth's release from the formal juvenile justice system. This includes those youth who are currently placed in a juvenile correctional facility and/or those youth who have recently reentered their communities upon release from a juvenile correctional facility.

One promising mentoring model that has emerged focuses on credible messenger mentoring, which is a transformative mentoring intervention for justice-involved youth. The credible messenger approach is a restorative justice model that focuses on relationships with justice-involved youth and, broadly defined, can be thought of as individuals in helping roles whose life experiences are aligned in one or more significant areas with those being served. This common experience helps support the needs of those with whom they are working. Within the area of juvenile justice, this approach is most commonly understood to involve those with prior justice system involvement serving as mentors. There are also broader viewpoints, however, in which credible messengers as mentors for justice system-involved youth need not necessarily have prior justice system involvement themselves as long as they share similar backgrounds, life experiences, and areas of interest with participating youth.⁵ Because mentors share—and have overcome—similar experiences, including involvement in the justice system, young people find them trustworthy. Transformative mentoring with credible messengers has been able to

successfully reach young people who were disconnected from education and employment and not otherwise inclined to participate in positive youth programming.⁶

Mentoring services can be one-on-one, group, peer, or a combination of these types. Applicants must initiate mentoring services to youth who are up to age 21. Mentors must be an adult (age 18 or older), or in cases where peer mentoring models are being implemented, an older peer and under adult supervision.

Funding may be used to support supplemental activities as part of the proposed mentoring model. Resources can be used to support nonmentoring direct services, such as mental health, substance use treatment, or other supportive services identified and aligned with the project design. These nonmentoring costs must be specifically identified in the budget narrative. Applicants should describe their partnerships and referral services, and how they plan to address issues related to diversity, equity, and inclusion in their service delivery.

Solicitation Goals and Objectives

Goals

The program's goal is to improve outcomes (such as improved academic performance and reduced school dropout rates) for youth involved in the juvenile justice system, and to reduce negative outcomes (including continued involvement in the juvenile justice system, substance use, and gang participation) through mentoring.

Objectives

OJJDP has identified the following specific program objectives:

- Increase access to mentoring services for youth involved in the juvenile justice system.
- Increase or maintain the number of screened and well-trained mentors, with an emphasis on ensuring the mentors selected reflect the youth they serve.
- Develop and implement program design enhancements that align with research and evidence on effective mentoring approaches.

For information about what the applicant needs to submit regarding Goals, Objectives, and Deliverables, please see the [How to Apply section on the Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#).

Additional Resources:

- [OJJDP Model Programs Guide](#) contains information about evidence-based juvenile justice and youth prevention, intervention, and reentry programs. It is a resource for practitioners and communities about what works, what is promising, and what does not work in juvenile justice, delinquency prevention, and child protection and safety.
- [OJP CrimeSolutions.gov](#) uses rigorous research to inform practitioners and policymakers about what works in criminal justice, juvenile justice, and crime victim services.
- Funding through OJJDP's formula grants program is available to states and territories and is based on the jurisdiction's share of the national youth population. Juvenile Justice Specialists in each state administer the funding through subgrants to units of local

government, local private agencies, and Indian Tribes for programs in accordance with legislative requirements. State Advisory Groups, composed of members appointed by the governor, set priorities for funded activities and develop a 3-year strategic plan. For further information on this 3-year plan, please visit [OJJDP's State Support](#) page, where you can find contact information for your state's Juvenile Justice Specialist or State Advisory Group Chair.

Priority Areas

In order to further OJP's mission, OJP will provide priority consideration when making award decisions to the following:

1A. Applications that propose project(s) that are designed to meaningfully advance equity and remove barriers to accessing services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

To receive this consideration, the applicant must describe how the proposed project(s) will address identified inequities **and** contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. Project activities under this consideration may include, but are not limited to, the following: improving victim services, justice responses, prevention initiatives, reentry services, and other parts of an organization's or community's efforts to advance public safety. Applicants should propose activities that address the cultural (and linguistic, if appropriate) needs of communities, outline how the proposed activities will be informed by these communities, and implement culturally responsive and inclusive outreach and engagement.

1B. Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40 percent** of the requested award funding, as demonstrated in the Budget web-based form) are a *population-specific organization* that serves communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

For purposes of this solicitation, population-specific organizations are nonprofit, nongovernmental, or Tribal organizations that primarily serve members of a specific underserved population and have demonstrated experience and expertise providing targeted services to members of that specific underserved population.

To receive this additional priority consideration, applicants must describe how being a population-specific organization (or funding the population-specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s) and should also specify which historically underserved populations are intended or expected to be served or have their needs addressed under the proposed project(s).

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

Federal Award Information

Awards, Amounts, and Durations

Anticipated Number of Awards: 5

Anticipated Maximum Dollar Amount per Award: Awards will be up to \$500,000

Period of Performance Start Date: 10/1/2024

Period of Performance Duration (Months): 36

Anticipated Total Amount To Be Awarded Under This Solicitation: \$2,500,000

Additional Information: While the maximum allowable funding amount is \$500,000, OJP encourages applicants, including those that are new or that have never before received a federal award, to submit a proposed budget that best supports their project objectives and organizational capabilities, even if the proposed budget is at a lower amount than the maximum allowable funding level.

Continuation Funding Intent

OJP may, in certain cases, provide additional funding in future years to awards made under this funding opportunity through continuation awards. OJP will consider, among other factors, OJP's strategic priorities, a recipient's overall management of the award, and the progress of the work funded under the award, when making continuation award decisions.

Availability of Funds

This funding opportunity, and awards under this funding opportunity, are subject to the availability of funding and to any changes or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Type of Award

OJJDP expects to make awards under this funding opportunity as grants. Cost Sharing or Match Requirement

This funding opportunity does not require a match.

Eligibility Information

In addition to eligibility type, applicants must at the time of application:

- Have operated an established mentoring program for at least one year.
- Have a demonstrated partnership (via a memorandum of understanding (MOU)) with a public agency legally responsible for handling juvenile crime and delinquency in a state, Tribe, city, or county (hereafter referred to as juvenile justice agency). The applicant must partner with a juvenile justice agency. However, the primary applicant must directly implement the mentoring program. This program is not intended for a juvenile justice agency to provide mentoring services. **Understanding that the completion of a fully**

executed MOU may take longer than the application period, a draft MOU may be submitted that includes the names and titles of all parties that will be signing the document. An award condition will be added if an award is made that will require the signed document before funds will be made available. Applicants will submit the MOU by uploading the document as an attachment in JustGrants. (Please see Additional Application Components section for more information on what should be included in the MOU.)

For the purposes of this notice of funding opportunity, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

For the purposes of this solicitation, “youth in the juvenile justice system” refers to those youth younger than age 18 at the point of arrest or referral who have been arrested or referred for intake to a public agency (state, Tribal, city, or county) legally responsible for handling juvenile crime, delinquency, and youth in need of guidance, treatment, or rehabilitation due to problematic behavior (i.e., truancy, running away, ungovernable, etc.). This may also include youth who are between the ages of 18 and 21 – and were arrested or referred prior to age 18 – but who remain under the jurisdiction of the juvenile justice system. This includes those youth who are currently placed in a juvenile correctional facility and/or those youth who have recently reentered their communities upon release from a juvenile correctional facility.

How To Apply

Application Resources

When preparing and submitting an application, the following resources may aid prospective applicants:

1. Grants.gov [“How to Apply for Grants”](#)
2. OJP [“How To Apply”](#) section in the [Application Resource Guide](#)
3. JustGrants [Application Submission Training](#)

This solicitation (notice of funding opportunity) incorporates guidance provided in the [OJP Grant Application Resource Guide](#) (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. **If this solicitation requires something different from any guidance provided in the [Application Resource Guide](#), the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the [Application Resource Guide](#) that is in conflict.**

How To Apply

Registration

Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for late submission.

Submission

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

Step 1: After registering with SAM.gov, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://grants.gov/register> by the Grants.gov deadline. **To allow time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible and no later than 48 hours before the Grants.gov deadline (recommended).** If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as “submitted” or “agency tracking number assigned.”

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://justgrants.usdoj.gov) by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline. Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress

in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants.

An applicant will receive email notifications when successfully submitting in Grants.gov and JustGrants, and should maintain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the “How To Apply” section in the [Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 pm eastern time on May 28, 2024.

The **full application** must be submitted in JustGrants by 8:59 pm eastern time on June 11, 2024.

To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application (Technical Waivers)

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; for this reason, experiencing long wait times for phone support does not relieve the applicant of the responsibility for getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the [SAM.gov Help Desk \(Federal Service Desk\)](#) Monday–Friday from 8 a.m. to 8 p.m. ET at 866–606–8220.
- Grants.gov: contact the [Grants.gov Customer Support Hotline](#) 24 hours a day, 7 days a week, except on federal holidays, at 800–518–4726, 606–545–5035, or support@grants.gov.
- JustGrants: contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833–872–5175, Monday–Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must:

- Describe the technical difficulties experienced (provide screenshots if applicable).
- Include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).
- Include an attachment of the complete grant application and all the required documentation and materials.
- Include the applicant's Unique Entity Identifier (UEI).
- Include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Unforeseen Technical Issues" section in the [Application Resource Guide](#).

Application and Submission Information

Content of Application Submission and Available Surveys

The following application elements **must** be included in the application to meet the basic minimum requirements to advance to peer review and receive consideration for funding:

- SF-424 and SF-LLL (in Grants.gov)
- Proposal Abstract (in JustGrants)
- Proposal Narrative (in JustGrants)
- Budget Web-Based Form, which includes the budget details and the budget narrative (in JustGrants)
- Executive Summary Chart (see required format below in Additional Application Components section)

If OJP determines that an application does not include these elements, it will not proceed to peer review and will not receive any further consideration.

Content of the SF-424 in Grants.gov

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the [Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

Intergovernmental Review: This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#). An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the State's process under E.O. 12372. On the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19, once the applicant has complied with its State E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting "Program is subject to E.O. 12372 but has not been selected by the state for review."

Content of the JustGrants Application Submission

Entity and User Verification (First-Time Applicant)

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the individual listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. The email should arrive within 24 hours after this individual receives confirmation from Grants.gov of their SF-424 and SF-LLL submissions. Register the Entity Administrator (the person who manages and who can access JustGrants on behalf of the applicant), Application Submitter, and Authorized Representative for the applicant with JustGrants as early as possible and (recommended) not later than 48–72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Find additional information on JustGrants Application Submission in the [Application Resource Guide](#).

Standard Applicant Information

The "Standard Applicant Information" section of the JustGrants application is prepopulated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization's unique entity identifier, legal name, and address.

Proposal Abstract

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

Data Requested With Application

The following application elements should be submitted in the web-based forms in JustGrants.

Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High Risk Status\)](#) for additional guidance on how to complete the questionnaire.

Brief Applicant Entity Questionnaire

OJP is collecting the following information to help assess its efforts to attract a broader range of applicants. These questions apply to the applicant entity and its work and scope only, and not to the specific project(s) being proposed within the application. Responses to the questions will not be considered in the application review process. The questions included in the questionnaire are available in the [Standard Forms & Instructions: Brief Applicant Entity Questionnaire](#).

Proposal Narrative

The proposal narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; and should not exceed 30 numbered pages. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit. If the proposal narrative fails to comply with these length restrictions, OJP may consider such noncompliance in peer review and in final award decisions.

The proposal narrative must include the following sections:

a. Description of the Issue

Applicants should briefly describe the nature and scope of the problem that the program will address (e.g., juvenile crime, gang activity, underage drinking, drug abuse, truancy, youth employment, school performance). The applicant should use data to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population(s) and the larger community. Any data or research referenced in the narrative should include information about the source of the data and/or a citation. Applicants should describe the target population(s) and any previous or current attempts to address the problem. Applicants should describe any research or evaluation studies that relate to the problem and contribute to their understanding of its causes and potential solutions. While OJJDP expects applicants to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

b. Project Design and Implementation

Applicants should detail how the project will operate throughout the funding period and describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section. In this section, applicants should describe the target population(s) they will serve and the proposed mentoring model to be implemented. Please note: All

program deliverables (number of mentors recruited, mentees served, etc.) mentioned in this section must be tracked and should match those listed in the Mentoring Program Profile (see Appendix A). See also Deliverables Expected of Successful Applicants section.

As part of the project design and implementation, applicants should clearly address the referral process for the target population (serving mentees who are involved in the juvenile justice system), as well as the process for recruiting, screening, and training mentors who have lived experience, to ensure that adequate supports exist to maximize success for the mentor, as well as the mentee. This plan should include how to address the vicarious trauma of mentors as part of the project design.

OJJDP encourages applicants to select evidence-based practices for their programs. This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

As indicated in the **Program Description Overview** section, applicants should describe how their proposed project/program will integrate and sustain meaningful youth and family partnership into their proposed project. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative, such as how youth and families who serve as experts on the project are compensated. For resources/guidance on effective youth and family partnership strategies and practices, click [here](#).

If an applicant believes that their project design is in no way amenable to incorporating youth and family partnership, the applicant should instead provide a detailed explanation and justification for excluding this element.

If an applicant is seeking consideration under Priority 1A, it should explain in this section how the proposed project(s) will meaningfully address identified inequities **and** contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. The applicant should also identify how the project design and implementation will specifically incorporate the input and/or participation of these communities.

c. Capabilities and Competencies

Describe the capabilities (what the applicant brings to the project such as resources, experience, expertise) and competencies (the unique skills and abilities of the applicant) required to accomplish the goals and objectives of the project. This section should also include applicant history, capabilities, and competencies of supporting youth and family partnerships. Describe the roles and responsibilities of project staff, as well as contractors or subgrantees (if applicable), and explain the program's organizational structure and operations.

If the applicant is seeking priority consideration under Priority 1B, it should: (1) describe within this section how being a population-specific organization (or funding a population-specific subrecipient organization at a minimum of 40 percent of the project budget) will enhance its capabilities and competencies to implement the proposed project; (2)

specify which populations are intended or expected to be served, have their needs addressed, and/or be affected by the proposed project; and (3) include information to confirm that the population-specific organization is specifically designed to serve communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization (examples of such information include, but are not limited to, the website address, charter, mission statement, or operating principles of the population-specific organization).

d. Plan for Collecting the Data Required for This Solicitation's Performance Measures

Describe the process for measuring project performance. Identify how you will utilize youth and family voices in deciding which data will be collected, who will collect the data, who is responsible for performance measurements, and how the information will be used to guide and evaluate the project's impact. Describe the process to accurately report data.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award's reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the solicitation goals and objectives identified in the "[Goals and Objectives](#)" section. Applicants can visit [OJP's performance measurement page](#) at www.ojp.gov/performance for more information on performance measurement activities.

A list of performance measure questions for this program can be found at [performance-measures-juvenile-mentoring.pdf \(ojp.gov\)](#). Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJJDP will require award recipients to submit performance measure data and performance reports in JustGrants. OJJDP will provide further guidance on the post-award submission process if the applicant is selected for award.

Note on Project Evaluations

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "[Note on Project Evaluations](#)" section in the [Application Resource Guide](#).

Application Goals, Objectives, Deliverables, and Timeline Web-Based Form

The applicant will submit the project's goals, objectives, deliverables, and timeline in the JustGrants web-based form. This is a summary of the goals, objectives, deliverables, and timeline that relate to the proposal narrative. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

- **Goals:** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the proposal narrative.

- **Program Objectives and Timeline:** The applicant should include objectives to accomplish its goals. Objectives are specific, measurable actions to reach the project's desired results. The included timelines should be clearly linked to the goal.
- **Deliverables and Timeline:** Project deliverables refer to outputs—tangible (for example, a report or a website) or intangible (for example, greater feelings of safety reported by the community)—that are documented and submitted within the scope of a project. Deliverables include timelines.

Deliverables Expected by Successful Applicants

Successful applicants will address the following deliverables in their application as part of their project design and implementation:

- Provide high-quality mentoring services that meet the needs associated with the target population(s) and that will reduce delinquency or other problem behaviors in juvenile justice system-involved youth. Applicants should identify the proposed target population(s), detail the referral process to identify and serve the target population, specify the exact number of youth to be served, provide the type of program model to be used (individual, group, or peer), and explain how the proposed mentoring approach will appropriately respond to their unique needs in a way that is likely to promote positive outcomes.
- Identify and implement program design enhancements in one or more of the six core practice areas listed in the [Elements of Effective Practice for Mentoring](#), 4th edition, as highlighted on OJJDP's National Mentoring Resource Center [website](#).
- Clearly track the program's various target populations at all times during the grant award (new and existing matches) and deliver services as specified in the project design and Appendix A: Mentoring Program Profile (see details below in the "Project Design and Implementation" section).
- Incorporate a plan for recruiting, screening, and training mentors who have lived experience to ensure that adequate supports exist to maximize success for the mentor, as well as the mentee. This plan should include how to address the vicarious trauma of mentors as part of the project design. Additionally, the plan should address the process for matching mentors with mentees.

Program objectives and deliverables should be included in one timeline.

Budget and Associated Documentation

Applicants should budget funds to support as many as two staff members of the project to participate in a two-day training in Washington, DC. This will be an in-person new grantee orientation meeting during the first year of the project period. Applicants should budget approximately \$2,000 per person to attend the meetings and record this as part of the travel line item in the budget. The Office of the Chief Financial Officer requires cost calculations for all line items in your budget, including this required travel. The cost breakdown should include airfare, per diem rate, lodging, number of travelers, number of days, etc. (for example, 2 people x airline ticket (\$500) = \$1,000, 2 people x 2 travel days x per diem (75% x \$76/day) = \$228, 2 people x lodging (\$251) x 2 nights = \$1,004). Use U.S. General Services Administration per diem rates found at www.gsa.gov.

Funding Restrictions

Food and entertainment, including amusement, diversion, social activities, and any associated costs (i.e., tickets to shows or sports events, meals, lodging, rentals, transportation, and

gratuities) are unallowable. Certain exceptions may apply when such costs have a programmatic purpose and have been approved by the awarding agency. See Section 3.13 of the DOJ Financial Guide.

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

Budget Detail and Narrative Web-Based Form

The applicant will complete the JustGrants web-based budget form, which includes both detailed calculations and budget narrative sections.

For additional information about how to prepare a budget for federal funding, see the “[Application Resource Guide](#)” section on [Budget Preparation and Submission Information](#) and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

If the applicant is seeking priority consideration under Priority 1A and has proposed activities to incorporate the input and participation of communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1B based on the identification of a proposed subrecipient as a population-specific organization, the proposed funding for the subrecipient must **reflect a minimum of 40 percent of the total award funding** within the web-based budget form. The budget narrative must also describe how the **activities that will be funded** with the (minimum) 40 percent of award funding provided to the subrecipient **specifically relate to the proposed project** that will meaningfully address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

The budget narrative **must clearly describe how the project is fiscally supporting youth and family partnerships**. This could include compensating them for their expertise, providing transportation, etc.

Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs

OJP strongly encourages every applicant that proposes to use award funds for any conference-, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the [Application Resource Guide for](#) information on prior approval, planning, and reporting of conference/meeting/training costs.

Costs Associated With Language Assistance (if applicable)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the [Application Resource Guide for](#) information on costs associated with language assistance.

Budget/Financial Attachments

Pre-Agreement (Pre-Award) Costs (if applicable)

Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the federal award but before the start date of the period of performance, incurs costs that are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the “Costs Requiring Prior Approval” section in the [DOJ Grants Financial Guide Post-Award Requirements for more information](#).

Indirect Cost Rate Agreement (if applicable)

Indirect costs are costs of an organization that are not readily assignable to a particular project, but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A nonfederal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the [DOJ Financial Guide for additional information on Indirect Cost Rate Agreement](#).

Consultant Rate (if applicable)

Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. See the [DOJ Grants Financial Guide](#) for information on the consultant rates, which require prior approval from OJP.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable)

If an applicant proposes to hire employees with federal award funds, for any award of more than \$250,000 made under a funding opportunity, an award recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. See the [Application Resource Guide](#) for information on the “Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver.”

Disclosure of Process Related to Executive Compensation (if applicable)

This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

Additional Application Components

The applicant will attach the additional requested documentation in JustGrants.

Curriculum Vitae or Resumes (if applicable)

Provide resumes of key personnel who will work on the proposed project.

[Tribal Authorizing Resolution \(if applicable\)](#)

An application in response to this solicitation may require inclusion of Tribal authorizing documentation as an attachment. If applicable, the applicant will upload the Tribal authorizing documentation as an attachment in JustGrants. See the [Application Resource Guide](#) for information on Tribal authorizing resolutions.

[Position Descriptions](#)

Provide position descriptions for key personnel supported under the grant.

[Logic Model](#)

Applicants may include, as a separate attachment, a logic model that graphically illustrates how the performance measures are related to the project's problems, goals, objectives, and design.

[Memoranda of Understanding \(MOUs\) and Other Supportive Documents \(if applicable\)](#)

Applicants should include, for each named partner, a signed Memorandum of Understanding (MOU) or subcontract that confirms the partner's agreement to support the project through commitments of staff time, space, services, or other project needs. For applications submitted from two or more entities, applicants are encouraged to develop and submit signed MOUs or signed letters of intent that provide a detailed description of how the agencies will work together to meet project requirements.

Each MOU should include the following: (1) names of the organizations involved in the agreement, (2) what service(s) and other work will be performed under the agreement by what organization, and (3) duration of the agreement. Subcontracts, MOUs, or letters of intent should be submitted as one separate attachment to the application.

As previously noted, applicants must have a demonstrated partnership (via an MOU, draft or fully executed) with a public agency legally responsible for handling juvenile crime and delinquency in a state, Tribe, city, or county (referred to as juvenile justice agency). The applicant must partner with a juvenile justice agency. However, the primary applicant must directly implement the mentoring program. This program is not intended for a juvenile justice agency to provide mentoring services.

Understanding that the completion of an MOU may take longer than the application period, a draft MOU may be submitted that includes the names and titles of all parties that will be signing the document. A special condition will be added if an award is made that will require the signed document before funds will be made available. Applicants will submit the MOU by uploading the document as an attachment in JustGrants.

[Research and Evaluation Independence and Integrity Statement \(if applicable\)](#)

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).

Bibliography/References

Any Tools/Instruments, Questionnaires, Tables/Charts/Graphs, or Maps

Request To Use Incentives or Stipends

Incentive means a monetary payment or any other form of compensation given to the youth to complete the mentoring program. Incentives are not allowable per this solicitation.

Documentation for Communities Most Impacted by Youth Incarceration (if applicable)

Applicants that can demonstrate that their community is experiencing high rates of incarceration will receive priority consideration and should include an attachment labeled “Communities Most Impacted by Youth Incarceration” that includes data from their local or state juvenile justice system that demonstrates an overreliance on incarceration.

Executive Summary Chart

The following chart lists data that are deemed *critical application elements* and that are to be submitted with the application. Applicants are to provide this information in the exact chart format below in a separate attachment labeled “Executive Summary Chart.”

Number of youth to be served (new and continuation).	Number of mentors to be recruited and maintained.	Number and name of location(s) where the mentoring services will take place under the grant.

This separate attachment includes information that demonstrates the timeframe that the organization has been in operation and providing mentoring services. See Appendix B.

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities

The SF-LLL attachment that was completed and submitted in Grants.gov is attached to this section.

Applicant Disclosure of Duplication in Cost Items

To ensure funding coordination across grant-making agencies, and to avoid unnecessary or inappropriate duplication among grant awards, the applicant will disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds. Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

DOJ Certified Standard Assurances

Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

DOJ Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing Review and accept in JustGrants the DOJ Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing. See the [Application Resource Guide](#) for additional information.

Applicant Disclosure and Justification – DOJ High-Risk Grantees

If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk grantee is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

Application Review Information

Review Criteria

Basic Minimum Review Criteria

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are requirements for all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within any stated programmatic funding limits or boundaries.
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

- Description of the Issue (15%): evaluate the applicant's understanding of the program/issue to be addressed.
- Project Design and Implementation (35%): evaluate the strength of the proposal, including information provided in the goals, objectives, timelines, and deliverables web-based form.
- Capabilities and Competencies (35%): evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.
- Plan for Collecting the Data Required for This Solicitation's Performance Measures (10%): evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.
- Budget (5%): evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Other Review Criteria/Factors

Other important considerations for OJP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the budget web-based form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the federal award, and when they comply with the funding statute and agency requirements (to include the conditions of the award), including the cost principles set out in the [Uniform Requirements 2 C.F.R. Part 200, Subpart E](#).

Risk Criteria/Factors

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Review Process

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above. Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.

Federal Award Administration Information

Federal Award Notices

Generally, award notifications are made by the end of the current federal fiscal year, September 30. See the [Application Resource Guide](#) for information on award notifications and instructions.

Evidence-Based Programs or Practices

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the [Application Resource Guide](#).

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information on what should be included in the application, see the [Application Resource Guide](#) section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program’s services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: “[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2024 Awards](#)” under the “Civil Rights Requirements” section, and additional resources are available from the [OJP Office for Civil Rights](#).

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient’s program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at <https://www.lep.gov/language-access-planning>. Additional resources are available at <https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep>. If the award recipient proposes a program or activity that would deliver services or benefits to LEP individuals, the recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard-of-hearing individuals or the purchase of adaptive equipment for individuals with mobility or cognitive disabilities. For resources, see <https://www.ada.gov/> or contact OJP.

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

Information Technology Security Clauses

An application in response to this solicitation may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

General Information About Post-Federal Award Reporting Requirements

In addition to the deliverables described in the “[Program Description](#)” section, all award recipients under this solicitation will be required to submit certain reports and data.

Required reports. Award recipients must submit quarterly financial reports, semi-annual performance reports, final financial and performance reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data.
