ELIGIBILITY

Eligible Applicants

The types of entities that are eligible to apply for this funding opportunity are listed below:

- **Other**

“Other” Entities Definition:

National organizations, defined as organizations that have active affiliates or subawardees in at least 45 states.

For the purposes of this NOFO, 2 or more independent organizations that form a collaborative to meet the 45-state requirement do not satisfy OJJDP’s definition of a national organization. The organization’s national headquarters must submit the application.

OJJDP encourages applicants to minimize their administrative costs in an effort to subaward at least 90 percent of this award to active affiliates or subrecipients, located in at least 38 states, while at the same time allowing for effective subrecipient oversight. If the requested award amount is reduced upon award, OJJDP will work with the grantee to determine the appropriate number of states required to subaward funds that match the total award amount.

Cost Sharing/Match Requirement

For this opportunity, match **is not** required.

PROGRAM DESCRIPTION

General Purpose of the Funding

This program supports the implementation and delivery of mentoring services to youth populations that are at risk or high risk for youth delinquency, victimization, and juvenile justice system involvement. Mentoring services can be one-on-one, group, peer, or a combination of these types. Applicants must initiate mentoring services to youth who are 17 years old or younger at the time of admission to the program. Mentors must be an adult (age 18 or older), or in cases where peer mentoring models are being implemented, an older peer and under adult supervision. Funding is encouraged to support new mentoring matches but can also support existing mentoring matches through program completion. However, the applicant must specify the number of new and existing matches to be served during the project period in the required “Executive Summary Chart” (see Additional Application Components section).

For this NOFO, the target population should include youth who are at risk or high risk for delinquency or victimization and/or youth in the community who are justice involved. For this NOFO, OJJDP defines at-risk and high-risk youth as youth who are most likely to become involved in the juvenile justice system because they possess certain risk factors in key life domain areas (i.e., individual, family, school, community); are already involved in the juvenile justice system; and/or reside in environments that have high rates of parental incarceration, community violence, drug markets, gang concentration, and failing schools.

OJJDP strongly encourages applicants to target mentoring services to historically marginalized and underserved populations. For this NOFO, OJJDP defines historically marginalized and underserved youth as those who demonstrate need but have not participated in mentoring services due to a variety of factors, including but not limited to lack of availability or access to mentoring programs, a shortage of trained and screened mentors, youth from communities that have been historically underserved, and youth involved in the juvenile justice system. Applicants should specifically identify the underserved populations they will serve and how they will increase mentoring services for these youth. OJJDP also encourages applicants to target youth having a parent in the military, including a deployed parent, and youth who have lost a parent or caregiver serving in the military.

OJJDP **requires** applicants to develop and implement a plan to serve American Indian and Alaska Native (AI/AN) youth, both on and off reservations, with these grant funds.

OJJDP **expects** applicants to track numbers of youth served for each target population it will serve and be ready to provide that information whenever requested during the life of the award.

OJJDP Guiding Philosophy: [OJJDP's](#) guiding philosophy is to enhance the welfare of America's youth and broaden their opportunities for a better future. To bring these goals to fruition, OJJDP is leading efforts to transform the juvenile justice system into one that will [Treat Children as Children](#); [Serve Children at Home, With Their Families, in Their Communities](#); and [Open Up Opportunities for System-Involved Youth](#). OJJDP encourages all proposed applications that work with youth to highlight how the proposed program aligns with these priorities.

Youth and Family Partnership Strategies: OJJDP envisions a juvenile justice system centered on the strengths, needs, and voices of youth and families. Young people and family members with lived experience are vital resources for understanding and reaching persons involved or at risk of involvement with youth-serving systems. OJJDP asks stakeholders to join us in sustainably integrating bold, transformative youth and family partnership strategies into our daily work. OJJDP believes in achieving positive outcomes for youth, families, and communities through meaningful engagement and active partnerships, ensuring they play a central role in collaboratively developing solutions. Depending on the nature of an applicant's proposed project, youth and family partnership could consist of one or more of the following:

- Individual-level partnership in case planning and direct service delivery (before, during, and after contact with youth-serving systems).
- Agency-level partnership (e.g., in policy, practice, and program development, implementation, and evaluation; staffing; advisory bodies; budget development).
- System-level partnership (e.g., in strategic planning activities, system improvement initiatives, advocacy strategies, reform efforts).

Applicants should refer to [Application Contents, Submission Requirements, and Deadlines: Budget Detail Form](#) for information on allowable and unallowable costs that may inform the development of their project design.

Program Goals and Objectives

Goal: Improve outcomes (such as improved academic performance and reduced school dropout rates) for at-risk and high-risk youth, and reduce negative outcomes (including youth delinquency, substance use, and gang participation) through mentoring.

Objective 1: Increase the number of at-risk or high-risk youth receiving mentoring services.

Objective 2: Increase or maintain the number of screened and well-trained mentors, with an emphasis on ensuring the mentors selected reflect the youth they serve.

Objective 3: Develop and implement program design enhancements that align with research and evidence on effective mentoring approaches.

How Awards Will Contribute to Program Goals/Objectives

OJJDP anticipates that award recipients will provide high-quality mentoring services that meet the needs associated with the target population(s) and that will reduce delinquency or other problem behaviors in at-risk or high-risk youth. Applicants should identify the proposed target population(s), the exact number of youth to be served, and the type of program model to be used (individual, group, or peer), and explain how the proposed mentoring approach will appropriately respond to the target population(s) needs in a way that is likely to promote positive outcomes.

Expected Outcomes: Deliverables and Performance Measures

To achieve the goals and objectives of this funding opportunity, OJP has identified expected deliverables that must be produced by a recipient. OJP has also identified performance measures (pieces of data) that will indicate how a recipient is achieving the performance goals

and objectives previously identified. Recipients will need to collect and report this performance measure data to OJP.

Deliverables

Deliverables are what the applicant will create or produce under the award. The term “deliverables” as used here refers to discrete products under an award. An award may support activities (e.g., personnel time for award activities) that are part of recipient performance but are not considered deliverables. Award recipients will be expected to develop and submit the deliverables listed below in the course of implementing their proposed project.

- Provide high-quality mentoring services that meet the needs associated with the target population(s) and that will reduce delinquency or other problem behaviors in at-risk youth. Applicants should identify the proposed target population(s) and explain how the proposed mentoring approach will appropriately respond to their unique needs in a way that is likely to promote positive outcomes. Additionally, applicants should track the program’s various specified target population(s), new and existing matches, and delivered services as specified in the project design and Mentoring Program Profile.
- Implement program enhancements for the existing mentoring program in one or more of the six core practice areas listed in the Elements of Effective Practice for Mentoring, 5th edition (<https://www.mentoring.org/resource/elements-of-effective-practice-for-mentoring/>).
- Enhance the mentoring model to specifically address the issue and impact of bullying (including cyberbullying) on the youth served in their programs. Please see this webpage for more information: <https://ojjdp.ojp.gov/programs/preventing-youth-hate-crimesbullying-initiative>.

Performance Measures

Performance measures are data that show a recipient’s progress in implementing their project, such as the number of people served or number of trainings conducted. OJP will require each award recipient to submit regular performance reports that communicate progress toward achieving the goals and objectives identified in [Program Goals and Objectives](#). Applicants can visit [OJP’s performance measurement page](#) at ojp.gov/performance for more information on performance measurement activities.

A list of performance measure questions for this funding opportunity can be found at [performance-measures-juvenile-mentoring.pdf \(ojp.gov\)](#).

Progress Reporting Questions

<https://ojjdp.ojp.gov/funding/grant-performance-measurement/performance-measures#progress-reporting-questions>

Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

Funding Instrument

OJP expects to make awards under this funding opportunity as grants. See the “[Administrative, National Policy, and Other Legal Requirements](#)” section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP awards.

Cost Sharing/Match Requirements

This funding opportunity does not require a match.

APPLICATION CONTENTS, SUBMISSION REQUIREMENTS, AND DEADLINES

This NOFO contains all the information needed to apply for this funding opportunity. The application for this funding opportunity is submitted through web-based forms and attachments in Grants.gov and JustGrants through the steps that follow.

Unique Entity Identifier (UEI) and SAM.gov Registration

To submit an application, an applicant must have an active registration in the [System for Award Management \(SAM.gov\)](#). SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. Applicants will enter their UEI with their application. Award recipients must then maintain an active UEI for the duration of their award's period of performance.

First-time Registration: Entities registering in SAM.gov for the first time will submit information about their entity type and structure, financial information (such as dates of the fiscal year, banking information, and executive compensation), entity points of contact, and other information. The information is reviewed and verified by SAM.gov, and then a UEI is issued. This process may take several weeks, so entities considering applying for funding should begin the registration process as soon as possible.

Renewing an Existing Registration: Entities must renew their SAM.gov registration every 12 months to keep it active. If an entity does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent the submission of an application for funding in Grants.gov and JustGrants.

Applicants are encouraged to start the SAM.gov registration or renewal process **at least 30 days prior to the application's Grants.gov deadline**. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

Submission Instructions: Summary

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants. See [Basic Information: Key Dates](#) for the Grants.gov and JustGrants application deadlines.

- **Step 1:** The applicant must submit the required [Application for Federal Assistance SF-424](#) by the Grants.gov deadline.
- **Step 2:** The applicant must submit the full application, including attachments, through JustGrants by the deadline (see [JusticeGrants.usdoj.gov](#)).

Submission Step 1: Grants.gov Submission of SF-424

Access/Registration

If the applicant does not already have a Grants.gov account, they will need to register for this opportunity in Grants.gov. Applicants should follow the Grants.gov [Quick Start Guide for Applicants](#) to register, create a workspace, assign roles, submit an application, and troubleshoot issues.

Submission of the SF-424

Applicants will begin the application process in Grants.gov with the submission of the SF-424, which collects the applicant's name, address, and UEI; the funding opportunity number; and proposed project title, among other information. The SF-424 must be signed by the Grants.gov Authorized Organizational Representative for the applicant.

See the [Application Resource Guide](#) for additional information on completing the SF-424.

Section 8F – Applicant Point of Contact: Please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*i.e.*, email address) to assign the application to this user in JustGrants.

Section 19 – Intergovernmental Review: This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#) (Intergovernmental Review). States that participate in the Intergovernmental Review process have an opportunity to review the applicant's submission. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) for Intergovernmental Review at the following website: <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the state's process under E.O. 12372. On the SF-424, an applicant whose state appears on the SPOC list must make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting, "Program is subject to E.O. 12372 but has not been selected by the state for review."

An applicant should submit the SF-424 as early as possible and recommended not later than 48 hours before the Grants.gov deadline. If an applicant fails to submit the SF-424 in Grants.gov by the deadline, they will be unable to submit their application in JustGrants.

Once the first part of the application has been successfully submitted in Grants.gov, the Grants.gov Workspace status will change from "In Progress" to "Submitted." Applicants will also receive a series of four Grants.gov email notifications. Refer to the [DOJ Application Submission Checklist](#) for additional details.

If an applicant needs to update information in the SF-424 after it is submitted in Grants.gov, they can update the information as part of their JustGrants submission (see [Application Contents, Submission Requirements, and Deadlines: Standard Applicant Information](#)). They do not need to submit an update in Grants.gov.

Submission Step 2: JustGrants Submission of Full Application Access/Registration

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the email address listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after confirmation from Grants.gov of the SF-424 submission.

Creating and setting up a JustGrants account consists of three steps:

1. Follow the instructions in the email to first confirm who will be the Entity Administrator (the person who manages which staff can access JustGrants on behalf of the applicant).
2. Log in to JustGrants and confirm the information in the Entity Profile.
3. Invite other individuals who will serve as the Application Submitter and the Authorized Representative for the applicant to register for JustGrants.

These steps should be completed in JustGrants as early as possible and recommended not later than 48 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Applicants can find additional information on JustGrants registration in the [DOJ Grant Application Submission Checklist](#).

Preparing for Submission

Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare, enter, and upload all the requirements of the application.

Applicants may save their application in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants. After the application deadline, no changes or additions can be made to the application. **OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline.**

For additional information, including file name and type requirements, see the “How To Apply” section in the [Application Resource Guide](#).

Standard Applicant Information

The Standard Applicant Information section of the JustGrants application is prepopulated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and can make whatever edits are needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract

A proposal abstract (no more than 2,000 characters) summarizing the proposed project must be completed in the JustGrants web-based form. The text from abstracts will be made publicly available on the OJP.gov and USASpending.gov websites if the project is awarded, so this section of the application should not contain any personally identifiable information (e.g., the name of the project director).

The abstract should be in paragraph form without bullets or tables and written in the third person (e.g., they, the community, their, themselves, rather than I or we). The abstract should include the following information:

- The name of the applicant’s proposed project.
- The purpose of the proposed project (*i.e.*, what the project will do and why it is necessary).

- Where the project will take place (*i.e.*, the service area, if applicable).
- Who will be served by the project (*i.e.*, who will be helped or have their needs addressed by the project).
- What activities will be carried out to complete the project.
- The subrecipient(s)/partner organizations or entities, if known.
- Deliverables and expected outcomes (*i.e.*, what the project will achieve).

See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

Data Requested With Application

Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess what financial management and internal control systems the applicant has in place, whether these systems would be sufficient to maintain a funding award, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High-Risk Status\)](#) for additional guidance on how to complete the questionnaire.

Proposal Narrative

Format of the Proposal Narrative: The Proposal Narrative will be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; have numbered pages; and should not exceed 30 pages. Any tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit. If the Proposal Narrative does not comply with these restrictions, OJP may consider such noncompliance in peer review and in final award decisions.

Sections of the Proposal Narrative: The Proposal Narrative must include all of the following sections. Applicants must describe how their proposed project/program will integrate and sustain meaningful youth and family partnerships in all sections of the proposal narrative—including the description of the issue, project design and implementation, and capabilities and competencies—and the budget. See Program Description: General Purpose of Funding for details on partnership strategies.

a. Description of the Need: What critical issue or problem is the applicant proposing to address with this project? Please include:

- A brief explanation of the need, gap, or issue to be addressed by the proposed project.
- Supporting information, data, or evidence to demonstrate the need's existence, size, and impact on the target population and community.
- Information on how youth and family partnerships will help to address the need.
- How the need relates to the purpose of the NOFO.

b. Project Goals and Objectives: How will the proposed project address the need identified and address the purpose of the NOFO? Please include:

- Project goals (goals are broad, visionary statements on what the applicant hopes to accomplish).
- Project objectives (objectives are specific outcomes the applicant plans to achieve through project activities).
- How the applicant's goals and objectives relate to the goals and objectives of the NOFO.
- Whether, and if so, how the applicant's goals and objectives incorporate youth and families as partners.

c. Project Design and Implementation: How will the applicant implement project activities that meet the goals and objectives? Please include:

- What activities the applicant will conduct to achieve the proposed goals and objectives.
- How the proposed project/program will integrate and sustain meaningful youth and family partnership into their proposed project.
- How the applicant will deliver or complete those activities.
- When the activities will take place.
- Who in the applicant's organization will staff the activities, including key staff.
- Who will participate in and benefit from the activity.
- What deliverables, reports, and other items will be produced as part of the project.

In this section, applicants should also be sure to describe the target population(s) they will serve and the proposed mentoring model to be implemented. Please note: All program deliverables (number of mentors recruited, mentees served, etc.) mentioned in this section must be tracked and should match those listed in the Mentoring Program Profile. In this section, applicants should include their detailed plan to serve AI/AN youth with the requested grant funds, both on and off reservations. Moreover, applicants are expected to include information in their application that highlights how their mentoring model will directly address the impact of bullying (including cyberbullying) on the youth served in their programs.

Mentoring programs targeting specific underserved populations should detail how they will expand service provision to these youth as well as highlight how anticipated services would best support the unique needs of these populations, such as key partnerships, cultural sensitivity, or specialized curricula. Applicants will also need to collect and track data on **each** of the specific populations they target, how many new and existing matches they make, and also provide other data as submitted in their Mentoring Program Profile document.

If the applicant plans to use subrecipients to help conduct the project, please name them (if they are known) or describe how the applicant will identify them. Please describe their role in conducting project activities.

d. Capabilities and Competencies: What administrative and technical capacity and expertise does the applicant bring to successfully complete this project? Please include:

- A short description of the applicant's capacity to deliver the proposed project and meet the requirements of the award, including collecting and reporting the required performance measure data. Who will be responsible for this task, and how will the applicant collect the data? Refer to [Program Description: Performance Measures](#) for additional details on performance measures for this funding opportunity.

- A description of projects or activities the applicant organization has conducted, or is currently conducting, that demonstrate the applicant's ability to undertake the proposed project activities.
- A summary of management and staffing patterns for the project that are clearly connected to the project design described in the previous section. Include a copy of an organizational chart showing how the organization operates.
- A summary of experience/capability/capacity to manage subawards (if applicable to the project), including details on their system for fiscal accountability.
- A description of the methods and processes that they will use to monitor subgrantee implementation of the specific mentoring model in accordance with model specifications.
- A summary of relevant experience of team members with key responsibilities for implementing the project.
- Applicant history, capabilities, and competencies of supporting youth and family partnerships.

Project Evaluations: An applicant that proposes to use award funds to conduct project evaluations must follow the guidance in the [“Note on Project Evaluations”](#) section in the [Application Resource Guide](#).

Budget and Associated Documentation: Budget Detail Form

The applicant will complete the JustGrants budget detail form. The form collects the individual costs under each cost category needed to implement the proposed project. Applicants should ensure that the name/description of each cost is clear and provide the detailed calculation (e.g., cost per unit and number of units) for the total cost. Applicants should enter additional narrative, as needed, to fully describe the cost calculations and connection to the project goals and objectives.

Budget proposals should include the funding needed to implement the proposed activities. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative, such as how youth and families who serve as experts on the project are compensated. For resources/guidance on effective youth and family partnership strategies and practices, click [here](#). In preparing their budget proposals, applicants should consider what types of costs are allowable, if awarded funding. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the project funded under the federal award and when they comply with the funding statute and agency requirements, including the conditions of the award and the cost principles set out in [2 C.F.R. Part 200, Subpart E](#) and the [DOJ Grants Financial Guide](#). The budget narrative must clearly describe how the project is fiscally supporting youth and family partnerships. This could include compensating them for their expertise, providing transportation, etc.

Applicants should budget funds to support as many as two staff members of the project to participate in a two-day training in Washington, DC. This will be an in-person new grantee orientation meeting during the first year of the project period. Applicants should budget approximately \$2,000 per person to attend the meeting and record this as part of the travel line item in the budget. The Office of the Chief Financial Officer requires cost calculations for all line items in your budget, including this required travel. The cost breakdown should include airfare, per diem rate, lodging, number of travelers, number of days, etc. (for example, 2 people x airline ticket (\$500) = \$1,000, 2 people x 2 travel days x per diem (75% x \$76/day) = \$228, 2 people x

lodging (\$251) x 2 nights = \$1,004). Use U.S. General Services Administration per diem rates found at www.gsa.gov.

Food and entertainment, including amusement, diversion, social activities, and any associated costs (i.e., tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities) are unallowable. Certain exceptions may apply when such costs have a programmatic purpose and have been approved by the awarding agency. See Section 3.13 of the DOJ Financial Guide.

Costs Associated With a Conference/Meeting/Training: An applicant that proposes to use award funds for activities related to a conference, meeting, training, or similar event should review the [Application Resource Guide](#) for information on prior approval, planning, and reporting costs for a conference/meeting/training.

Costs Associated With Language Assistance and Access: If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable in specific grant programs. Costs to provide reasonable accommodation and facilitate language access for individuals who are deaf or hard of hearing may also be allowable in specific grant programs. See the [Application Resource Guide](#) for information on costs associated with language assistance.

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#)” and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

Budget and Associated Documentation: Budget/Financial Attachments

Indirect Cost Rate Agreement (if applicable): An applicant with a current, federally approved indirect cost rate agreement should upload it as an attachment in JustGrants.

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary for the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for operation and maintenance of offices or workspaces and salaries of administrative or support staff. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A nonfederal applicant should follow the guidelines applicable to its type of organization. See the [DOJ Grants Financial Guide](#) and the [OJP Grant Application Resource Guide](#) for additional information on indirect cost rate agreements.

Consultant Rate (if applicable): OJP has established maximum rates for consultants; see the “Listing of Costs Requiring Prior Approval” section of the [DOJ Grants Financial Guide](#) for more information. If an applicant proposes a rate for a consultant on their project that is higher than the established maximum rate and receives an award, then the award recipient must submit a document requesting approval for the rate and cannot incur costs at the higher rate without prior OJP approval. The award recipient must provide justification for why the proposed rate is higher

than the established maximum rate, such as why the rate is reasonable and consistent with that paid for similar services in the marketplace.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable):

If an applicant proposes to hire employees with federal award funds, for any award of more than \$250,000, the recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. Applicants may request a waiver from this requirement by submitting the appropriate form. See the [Application Resource Guide](#) for information on the "Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver."

Disclosure of Process Related to Executive Compensation (if applicable): This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its "Disclosure of Process Related to Executive Compensation" provisions. Applicants to this funding opportunity are not required to provide this disclosure.

Additional Application Components

The applicant will attach the additional requested documentation in JustGrants.

Curriculum Vitae or Resumes (if applicable): Provide resumes of key personnel who will work on the proposed project or a description of the experience and skills of key personnel necessary to implement the project.

Tribal Authorizing Resolution (if applicable): An application in response to this NOFO may require inclusion of Tribal authorizing documentation as an attachment. If applicable, the applicant will upload the Tribal authorizing documentation as an attachment in JustGrants. See the [Application Resource Guide](#) for information on Tribal authorizing resolutions.

Research and Evaluation Independence and Integrity Statement (if applicable): Research and/or evaluation activities are not supported under this program. Any costs associated with such activities will be disallowed. Project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP's performance measure data reporting requirements, likely do not constitute "research." For additional information, see the Application Resource Guide.

Tools/Instruments, Questionnaires, Tables/Charts/Graphs, or Maps: The following chart lists data that are deemed critical application elements and that are to be submitted with the application. Applicants are to provide this information in the exact chart format below in a separate attachment labeled "Executive Summary Chart."

Request To Use Incentives or Stipends: Incentive means a monetary payment, or any other form of compensation given to the youth to complete the mentoring program. Incentives are not allowable per this NOFO.

Timeline: Provide a timeline listing key activities and milestones, and the months during which they will take place.

Logic Model: Applicants may include, as a separate attachment, a logic model that graphically illustrates how the performance measures are related to the project's problems, goals, objectives, and design.

Position Descriptions: Provide job descriptions outlining roles and responsibilities for all positions that will implement the project.

Organizational Chart: Attach a copy of an organizational chart showing how the organization operates.

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities: JustGrants will prompt each applicant to indicate if it is required to complete and submit a lobbying disclosure under 31 U.S.C. § 1352.

The applicant is required by law to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) if it has paid or will pay any person to lobby in connection with the award for which it is applying AND this application is for an award in excess of \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

Lobbying means (for this requirement) influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. See 31 U.S.C. 1352; 28 C.F.R. part 69. Note: Most applicants do not engage in activities that trigger this disclosure requirement.

An applicant that is not required by law (31 U.S.C. 1352) to complete and submit a lobbying disclosure, should enter "No." By doing so, the applicant is affirmatively asserting (under applicable penalties) that it has nothing to disclose under 31 U.S.C. § 1352 with regard to the application for the award at issue.

Disclosure of Duplication in Cost Items: To ensure funding coordination across grantmaking agencies, and to avoid unnecessary or inappropriate duplication of grant funding, the applicant must disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds, for the same project and the same budget items

included in this proposal. Complete the JustGrants Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

DOJ Certified Standard Assurances: Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

DOJ Certifications: Review the DOJ document [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Coordination with Affected Agencies](#). An applicant must review and sign the certification document in JustGrants. See the [Application Resource Guide](#) for more information.

Applicant Disclosure and Justification – DOJ High-Risk Grantees (if applicable): If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk recipient is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

Submission Dates & Times

Refer to [Basic Information: Key Dates](#) for the submission dates and times.

Applicants should submit their applications as early as possible and recommended not later than 48 hours before the deadlines. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Applicants will use the Certify and Submit feature in JustGrants to confirm that all required application components have been entered, which includes identifying the Authorized Representative for the applicant. Once the application is submitted, the Application Submitter, Authorized Representative, and Entity Administrator receive a confirmation email.

An applicant will receive emails after successfully submitting application components in Grants.gov and JustGrants and should retain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

Experiencing Technical Issues Preventing Submission of an Application (Technical Waivers)

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. OJP will only consider requests to submit an application via alternative methods or after the deadline when the applicant can document that there is a technical issue with a government system that was beyond their control and that prevents submission of the application via the standard process prior to the deadlines. Issues resulting from circumstances within the applicant's control, such as failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time, will not be considered.

Requests and documentation must be sent to the OJP Response Center at grants@ncjrs.gov. Applicants should follow these steps if they experience a technical issue:

- 1. Contact the relevant help desk to report the issue and receive a tracking number.**

See [Basic Information: Contact Information](#) for the phone numbers, email addresses, and operating hours of the SAM.gov, Grants.gov, and JustGrants help desks. Reports of technical issues to the help desk must occur **before** the application deadline.

If an applicant calls the help desk and experiences a long wait time, they can also email the help desk to obtain a tracking number. Tracking numbers are generated automatically when an applicant emails the applicable service desk; for this reason, long wait times for phone support do not relieve the applicant of the responsibility for getting a tracking number.

2. If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. The applicant's request will need to include:

- A description of the technical difficulties experienced (provide screenshots if applicable).
- A timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).
- An attachment of the complete grant application and all the required documentation and materials (this serves as a "manual" submission of the application).
- The applicant's unique entity identifier (UEI).
- Any SAM.gov, Grants.gov, and JustGrants Service Desk tracking/ticket numbers documenting the technical issue.

3. If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within 24 hours of the JustGrants deadline to request approval to submit after the deadline. See step 2 for the list of information the applicant must provide as part of its request.

As a reminder: The waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information previously listed), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Technical Issues" section in the [Application Resource Guide](#).

APPLICATION REVIEW

Responsiveness (Basic Minimum Requirements) Review

OJP screens applications to ensure they meet the basic minimum requirements (BMR) prior to conducting the merit review. Following are the basic minimum requirements for this funding opportunity. If OJP determines that an application does not include these elements, it will not proceed to merit review and will not receive any further consideration.

- The application is submitted by an eligible applicant.
- The requested award amount does not exceed the award ceiling.
- The application is responsive to the scope of the NOFO.
- The following application elements are included:
 - SF-424 (Grants.gov)
 - Proposal Abstract (JustGrants)
 - Proposal Narrative (JustGrants)
 - Budget detail form, which includes the budget items, their calculations, and explanation (JustGrants)
 - Executive Summary Chart (see required format below in Additional Application Components section)

Applicants whose application fails to meet the BMR are provided notice (including an appropriate point of contact for questions) within a few weeks after the submission due date.

Merit Review Criteria

Peer Review Criteria

Applications that meet the basic minimum requirements will be evaluated for technical merit by peer reviewers based on how the proposed project/program addresses the following criteria:

- **Statement of the Problem/Description of the Issue (10%):** What critical issue or problem the applicant is proposing to address with this project.
- **Project Goals and Objectives (15%):** How the proposed project will address the identified need and the purpose of the funding opportunity.
- **Project Design and Implementation (35%):** The strength of how the applicant will implement activities, including the soundness of the project design and how the activities align with the stated goals and objectives.
- **Capabilities and Competencies (30%):** The applicant's administrative and technical capacity to successfully complete this project.
- **Budget (10%):** Completeness and cost effectiveness.

Programmatic and Financial Review Criteria

After the peer review, applications undergo additional programmatic and financial reviews. OJP staff may reach out to applicants during the programmatic or financial review if a submitted form is incomplete or needs to be updated. Note that OJP staff are not authorized to provide information on peer review scores or comment on programmatic, risk, or budget/financial reviews while the merit review is in progress.

In addition to BMR and peer review criteria, other important considerations for OJP include geographic diversity (including, but not limited to, remote and geographically isolated communities, such as Alaska Native villages), strategic priorities (including, but not limited to, the priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the budget detail form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. If cost sharing/match is not required for this opportunity, applicants will not receive higher consideration by proposing a voluntary match contribution in their budget.

Risk Review

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to applicant risk. OJP assesses whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, including by (among other things) checking whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

Depending on the severity and nature of the risk factors, the risk assessment may result in the removal of an applicant from consideration or selection for award, or it may result in additional post-award conditions and oversight for an awarded applicant.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM.gov.

Important Note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Selection Process

All final award decisions will be made by the Assistant Attorney General, unless a statute explicitly authorizes award decisions by another official or there is written delegation of authority to another official. This official may consider not only peer review ratings and program office recommendations, but also other factors as indicated in the “Application Review” section to make final award decisions. For additional information on the application review process, see the [Application Resource Guide](#).

AWARD NOTICES

Federal Award Notices

Award notifications are usually sent by September 30 (the end of the current federal fiscal year). For successful applicants, JustGrants will send a system-generated email to the Application Submitter, Authorized Representative, and Entity Administrator with information on accessing their official award package in JustGrants. The award package will include key information (such as funding amount and period of performance) as well as award conditions that must be followed. The Authorized Representative for the entity should accept or decline the award within 45 days of the notification. See the [Application Resource Guide](#) for information on award notifications and instructions.

Applicants not selected for award will receive notification after all award recipients have been notified. OJP also provides unsuccessful applicants with a summary of peer reviewer comments.

Future Funding Opportunities

OJP may, in certain cases, provide additional funding in future years to awards made under this funding opportunity through continuation awards. When making continuation award decisions, OJP will consider, among other factors, OJP's strategic priorities, a recipient's overall management of the award, and the progress of the work funded under the award.

Applications submitted under this FY 2025 funding opportunity may be funded in future fiscal years, dependent on, among other considerations, the merit of the applications and the availability of appropriations.

POST-AWARD REQUIREMENTS AND ADMINISTRATION

Reporting

All award recipients under this funding opportunity will be required to submit the following reports and data:

- Quarterly financial reports.
- Semi-annual performance reports.
- Final financial and performance reports.
- If applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions.

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data and the method for submitting reports in OJP's online systems. Future awards and fund drawdowns may be withheld if reports are delinquent, and in appropriate cases, OJP may require additional reports.

Performance Measure Reporting

Award recipients are required to submit performance measure data and performance reports in JustGrants on a semi-annual basis. Applicants selected for an award will receive further guidance on post-award reporting processes.

Program- and Award-Specific Award Conditions

OJP includes various conditions on its awards. These may include program-specific conditions, which typically apply to all recipients of a funding opportunity, and award-specific conditions, which are included to address recipient-specific issues (e.g., programmatic or financial risk). Recipients may view all conditions, and actions required to satisfy those conditions, in the award package in JustGrants.

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit the award recipient from discriminating on the basis of race, color, national origin, sex, religion, or disability in how it delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include, but are not limited to, Title VI of the Civil Rights Act of 1964, the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968, and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail on OJP's [Legal Overview—FY 2025 Awards](#) webpage under the

“Civil Rights Requirements” section. Additional resources are available from the [OJP Office for Civil Rights](#).

Complying with civil rights laws that prohibit national origin discrimination includes the requirement that recipients and subrecipients take reasonable steps to ensure that people with limited English proficiency (LEP) have meaningful access to a recipient’s programs and activities. An individual with LEP is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. DOJ offers resources to help recipients meet this requirement, including [Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons](#); a [language access assessment and planning tool](#) with [commonly asked questions](#); and additional resources on [the Office of Justice Programs’ Office for Civil Rights website](#).

Faith-based organizations may apply for this award on the same basis as any other organization subject to the protections and requirements of 28 C.F.R. Part 38 and any applicable constitutional and statutory requirements, including 42 U.S.C. 2000bb et seq. The Department of Justice will not, in the selection of recipients, discriminate for or against an organization on the basis of the organization's religious character, motives, or affiliation, or lack thereof, or on the basis of conduct that would not be considered grounds to favor or disfavor a similarly situated secular organization. A faith-based organization that participates in this funded program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law. An organization may not use direct Federal financial assistance from the Department of Justice to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. An organization receiving Federal financial assistance also may not, in providing services funded by the Department of Justice, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

Information Technology Security Clauses

An application in response to this NOFO may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

Other Reporting Requirements

Applicants and recipients are required to notify OJP if you know that you or any of your organization’s principals for the award transaction are presently excluded or disqualified (*i.e.*, debarred or suspended) or otherwise meet any of the criteria in 2 C.F.R. 180.335. Recipients must comply with requirements in 2 C.F.R. Part 180, as implemented by DOJ in 2 C.F.R. Part 2867, which, among other things, require recipients to check certain information sources and, in

some cases, notify the federal awarding agency prior to the agency awarding federal funds via contracts or subawards.

If a recipient's award includes a federal share of more than \$500,000 over the period of performance of the award, then the award (per 2 C.F.R. 200.113) will include a condition that may require the recipient to report and maintain certain information (relating to certain criminal, civil, and administrative proceedings) in SAM.gov. See

<https://www.ojp.gov/funding/explore/legaloverview2025/otherrequirements> for more information.
